A CUNNING PLAN

The best in British humour is back when the Tasmanian Premiere of the stage version of the BBC TV comedy classic BLACKADDER opens this week for an exclusive season at the Earl Arts Centre, starring Chris Jackson, Matt Taylor, Robyn Daly, Lachlan Cassidy, Cameron Hindrum and Lou Peters.

Not to be missed, our tales follows the story of Lord Edmund Blackadder as he strives to win Her Majesty's favour while attempting to avoid a grisly fate should he offend her. Directed by Troy Ridgway, the Tasmanian stage premiere of the BBC TV comedy classic by Ben Elton and Richard Curtis comes to the Earl Arts Centre from 28 October to 12 November.

MARY FLIES HIGH

As finalists in the Outstanding Event category of the 2016 Launceston Chamber of Commerce Business Excellence Awards and up against Festivale, Agfest, Red Hot Summer Tour and the Ulysses AGM, there was no thought given to the prospect of Encore winning the Award. *Until it was announced…*

"If *Mary Poppins* is about one central idea, then it has to be learning to fly." said Encore President Belinda J King. "It took a team of 150 volunteers to create our Poppins and make her fly… which was an exciting and rewarding time. *Mary Poppins* was an incredible experience and sharing her with Launceston can only be described in one word… *SUPERCALIFRAGILISTICEXPIALIDOCIOUS!*
