WE WILL ROCK YOU

More than 6,500 people already have their tickets and are breaking free at The Princess this August. *We Will Rock You* has won rave reviews and is ready for a second big week of shows.

"The show was incredible. When both my kids say it's the best one they have been too and my 14-year-old saying it will never be topped unless she was to see Queen in person... you have truly hit the nail on the head with this show. And my husband reckons it is one you could just watch over and over. Such a credit to everyone involved. Good luck for the rest of your shows." - Alicia Boxhall, Meander

"This production is fantastic.... big congratulations to all involved. Totally awesome can't recommend it highly enough." - Cynthia Summers, Scottsdale

"Absolutely FANTASTIC fun xx bloody brilliant xx well worth seeing xx great talent much appreciated xx thanks to all for a thoroughly enjoyable time." Maryanne Cassidy, Ulverstone

A PACKED CALENDAR

With the Opening Night of *We Will Rock You* came a fantastic post-show reception for 150+ at the Hotel Grand Chancellor and a chance for the team to celebrate their work and the enormous week just gone in theatre leading up to the official Opening.

Encore's President took the opportunity to comment on the often heard and always welcome remarks that "Launceston has so much talent".

"It's interesting to hear those comments, and it is not blind luck that so many incredible performers emerge here." says Belinda J King. "The talent pool is very deep because we have consistently strong teachers and performance platforms on which to develop and grow their skills. From a young age there are youth theatre schools like Stage Right Youth Theatre, which carries through our high schools and colleges, including the consistently outstanding productions delivered by Launceston College."

"And if you want absolute proof that local theatre is kicking goals, then look no further that the Princess Theatre façade this week. Three local productions dominate the August theatre calendar; an extraordinary testament to the work being done here."
