From the team who wrote Beauty and the Beast, comes even more Disney magic for the whole family to enjoy!

Disney's Aladdin JR. brings the famous movie to life again on stage.

In Agrabah, City of Enchantment, every beggar has a story and every camel has a tail!

Aladdin, a kind but wily street urchin, falls in love with the beautiful Princess Jasmine. It just so happens that the Sultan has declared that Princess Jasmine must choose a husband within the next day. After she turns down the offers from various wealthy suitors, Aladdin and the evil Jafar duke it out for Jasmine's love.

With a little help from a wacky genie, Aladdin manages to win Jasmine's hand in marriage.

JUNCTION COMES ALIVE!

Junction Arts Festival is happening in conjunction with the national conference of Regional Arts Australia. It's part of a celebration of the power of art and offers the city of Launceston as a stage to surprising, intriguing and delightful events.

Theatres and galleries won't be the only places to find art - the streets, the mall, shop windows and well-know buildings will provide the 'frame' for lots of stuff.

Plus a great program of music, cabaret and variety in a genuinely cool festival club.

Each evening "The Junc Room", the festival club in the Launceston city centre, will feature a terrific music program ranging from surf pop to hip hop, and a selection of eclectic cabaret and theatre works from across Australia.
