Encore's current production of Joseph and the Amazing Technicolor Dreamcoat is set to explode with energy and excitement. It is a show capable of brightening the audience's day through its colourful costumes and its triumphant overtones. Joseph is a retelling of the biblical story of a young man whose privileged life is shattered by his jealous brothers, leading to tragedy but ultimately fortune as Joseph patiently endures it all. With musical numbers that range from upbeat to beautiful to downright silly, Joseph delivers a musical spectrum as varied as his technicolor dreamcoat.

THE SECOND COMING

EXCLUSIVE SHOW PRESALE!

JESUS CHRIST SUPERSTAR

Four decades ago, Andrew Lloyd Webber and Tim Rice wrote the greatest rock musical the world has ever known. When the show premiered in Australia at the Capitol Theatre Sydney in May 1972, Harry M Miller and Jim Sharman chose an unknown rock singer for the role of Judas and launched the career of one of Australia's most successful performers.

Guest starring in the role of Pilate for a strictly limited season at the Princess Theatre, Encore Theatre Company takes great pleasure in announcing that in March 2012 Jon English will be coming home to the show that made him a Superstar.

Featuring a massive cast starring Tasmanian performer Brett Budgeon as Jesus, the musical by Andrew Lloyd-Webber and Tim Rice is the moving retelling of the final seven days of Jesus Christ's life.

The Launceston College Performing Arts team who brought to the stage the exciting productions of Footloose (2004), Grease (2005), Hair (2006), High School Musical (2007), All Shook Up (2008), Disco Inferno (2009) and Back to the 80's (2011) is delighted to present in the Tasmanian Premiere of Disney's Aida.

Written by Elton John and Time Rice, Aida is a love story set in Ancient Egypt. Led by a production team of Cheyne Mitchell (director), Liz Bennett (producer), Jenny Bakun (musical director), Rebecca Miller and Tanya Lanham (choreographers) and Travis Hennessey (vocal director), audiences can be sure that this year production will be to the highest possible standard.

After the success of the international sensation The Lion King, the composer/lyricist team of Elton John and Tim Rice were instantly eager to work together again. Their follow up collaboration was the beautifully devastating Aida.

Aida is a love story set in Ancient Egypt. Against the back drop of a war, between the Egyptian armies and the Nubian tribes, alliances are formed, lovers collide and hearts are broken, in this epic tale of survival and destiny. An Egyptian Captain, Radames, and a Nubian Princess, Aida, meet after she is captured by his soldiers. He is already betrothed to Amneris the daughter of the Pharaoh, but in the tradition of stories about forbidden love, Radames and Aida fall in love with terrible consequences.

This contemporary musical takes you on an amazing musical journey, as the feel of the show draws on many genres, from modern reggae, Motown, gospel to upbeat dance numbers. Aida radiates beauty; with amazing costumes, flawless voices, band, choreography, and outstanding acting talent. This Musical is unlike any you have seen before and is not to be missed!! Aida will uphold the College's amazing reputation for quality musicals, but it's one of the most sophisticated and challenging in years. Over 180 Students from across the college are involved, with 125 on stage, an exciting student band and many others working on technical departments.
