Fawlty Towers is now officially Encore's most popular presentation in the Earl Arts Centre to date! Close to 2,500 people filled the theatre's 3-week season and laughed at and sympathised with Basil's continual efforts to get the upper hand in running his Torquay Hotel with his wife, Sybil.

The season has been so popular, in fact, that there are firm plans for Basil & Co to reappear on our local theatre calendar in the not-too-distant future. SHOWBUZZ will keep you posted. In the meantime, here's the team, both on stage and off, that made the production happen. Thankyou for your support!
