TRIPLE THREAT

When it comes to villains, Kerri, Marcus & Sinead just can't help themselves! Meet Miss Hannigan, Rooster & Lily... an unscrupulous trio who are willing to trade off everyone's favourite orphan for a cash reward. Will they succeed? You'll have to come along in November and find out.

But in the meantime, Director Danny Gibson is working the team hard to be ready for Opening Night. He says of the story, "It's everything we want in life right now; hope and love and the importance of family. Everyone, from the littlies to Gran, will enjoy it. It's got kids, a dog and a top notch cast. How can you resist?"

Friends of Theatre North

Without doubt, the Princess Theatre is one of Tasmania's most important cultural icons. And in 2013, Theatre North has introduced a new way to become a champion of The Princess and local arts and performances.

Launched in August 2013, membership of the Friends of Theatre North topped 100 at the inaugural gathering, and the entire Encore Committee have joined up!

Through voluntary involvement and fundraising projects the Friends are making new things happen at the Princess Theatre, and are rewarded with great benefits such as discount tickets, invitations to special events, social gatherings and more. So would you like to join the Encore team and many other local theatre supporters? Visit the Theatre North website for details or call into the Princess Theatre Box office.
